EXPLANATION
- Mine shaft
- Mine shaft - multiple openings
□ Air shaft
□-2 Air shaft - multiple openings
Y Adit
Y-4 Adit - multiple openings
? Uncertain location
. Feature location other than known mine
Undermined area

UNIQUE FEATURES
Z Multiple mining zones
* Mine opening information
S Subsidence feature(s)
F Mine fire
D Mine drainage

ACKNOWLEDGMENT
This study was funded by U.S. Government
Grant No. G5127081, Division of Mined Land
Reclamation, Inactive Mine Program, Colorado
Department of Natural Resources
